Poem

Together We Stand

Together we stand, strong and tall,
Helping each other, we never fall.

Cheering aloud, we shout and sing,
Teamwork can overcome anything.

Win or lose, we always share,
Our bond of trust is always there.

Q.1 What Happens when people help each other?

Options :

- A. They fall
- B. They Fight
- C. They never fall
- D. They lose

Correct Answer: C. They never fall

Explanation: This answer is taken from the poem We Come Together, which conveys that when people support and help each other, they stay strong and do not fail.

Q.2 What do people do when they are cheering?

Options :

- A. Sit quietly
- B. Sleep
- C. Shout and sing
- D. Run away

Correct Answer: C. Shout and sing

Explanation: This answer is taken from the poem We Come Together, where cheering is described as people expressing joy by shouting and singing.

Q.3 What can teamwork do?

Options :

- A. Create problems
- B. Overcome anything
- C. Make people weak
- D. Stop progress

Correct Answer: B. Overcome anything

Explanation: This answer is taken from the poem We Come Together, which highlights that teamwork gives strength and helps people overcome any difficulty.

Q.4 What do people share whether they win or lose?

Grammar

Q.6 Choose the correct preposition:

The children are playing ___ the park

Options :

A. On

B. In

C. Under

D. Behind

Correct Answer: B. In

Explanation: The preposition “in” is used when something is inside an area or enclosed space. A park is considered a defined area, so we say “in the park” when children are playing within its boundaries.

Q.7 Choose the correct preposition:

The shoes are ___ the bed.

Options :

- A. In
- B. Under
- C. At
- D. Above

Correct Answer: B. Under

Explanation: The preposition “under” is used to show that something is below or beneath another object. Since the shoes are below the bed, the correct sentence is “The shoes are under the bed.”

Q.8 Choose the correct pronoun:

___ is my sister.

Options :

- A. It
- B. She
- C. He
- D. I

Correct Answer: B. She

Explanation: The pronoun “she” is used for a female person. Since a sister is a female, “she” is the correct pronoun.

Q.9 Choose the action word in the given sentence:

She sings beautifully.

Options :

- A. She
- B. The

C. Beautifully

D. Sings

Correct Answer: D. Sings

Explanation: An action word is called a verb. It shows what the subject is doing.

In this sentence, "sings" tells us the action performed by "she," so it is the verb.

- "She" is a pronoun (subject)
- "Beautifully" is an adverb (describes how she sings)
- "The" is an article

Q.10 Choose the correct describing word in the given sentence:

She bought some fresh fruits.

Options :

A. Fresh

B. Bought

C. Fruits

D. She

Correct Answer: A. Fresh

Explanation: A describing word is called an adjective. It tells us more about a noun.

In this sentence, "fresh" describes the noun "fruits", so it is the correct answer.

- "Bought" is a verb (action word)
- "Fruits" is a noun (name of things)
- "She" is a pronoun
