Q.5	Say which statement is true: In, “After all that he had promised!” – what had he promised
	Ans. (iv) He had promised to live up to their expectations. Explanation - He had promised his assurance to Joe Morgan and Susan's mother to do the best he could. Andrew who had unpleasant experience with his fiance on that day has got a chance to save the life of a pregnant lady and her child and he has made great efforts to save them in every possible manner successfully.
Q.6	Form meaningful sentence using the given words/phrases.
	they / in the hall / for / two hours / watching / had been/ television Ans. (iii) They had been watching television in the hall for two hours. Explanation - They had been watching television in the hall for two hours. The general structure to form the sentence in past perfect continuous is subject + verb (had + main verb III form) + object + since / for + Period /point of time. And it is followed in true spirit here.

<p>Q.7</p>	<p>Choose the correct option of the given sentence as Simple sentence The soldiers who were victorious were honoured by the president. Ans. (ii) The Victorious soldiers were honoured by the President. Explanation - Simple sentence contains 1 subject, 1 verb (Helping verb or/and Main verb), one object without any conjunction (linking word) and has one main clause. The given sentence completes the said conditions to be a simple sentence.</p>
<p>Q.8</p>	<p>Which of the following is not a type of classified advertisement? Ans. (iv) Event on Annual Function. Explanation - Generally annual function is covered in the newspaper under report segment. It is not a part of advertisement. The rest options Lost and Found, Missing and Tour and Travels are covered under classified advertisement columns.</p>
<p>(Q.9 - Q.10) Reading Comprehension - Read the following passage and answer the questions that follow by choosing the Correct Option. “Money is ... money devbelops.”</p>	
<p>Q.9</p>	<p>Which main point about money is the author trying to make in this text? Ans. (ii) Money allows people who don't know or trust each other to trade. Explanation - Money allows people who don't know or trust each other to trade. Money is one of the most important inventions in human history. It helps people who do not know or trust each other to trade. If you have enough money, you can go into a store and walk out with a candy bar. The store owner does not need to know or trust you. They only need to count your money.</p>
<p>Q.10.</p>	<p>According to the text, how did people mainly transact before the invention of money? Ans. (iii) They lent and borrowed from each other. Explanation - Before money, most exchange was based on credit and debt. The credit and debt system served humans well for much of time. Our minds are good at remembering favors and who owes whom. The problem with this system is that it requires trust.</p>
