ANSWER SHEET WITH FEEDBACK

1. What is the main message of the poem 'Teamwork'?

Correct Answer: B) We can achieve our goals easily by working together.

Feedback: Excellent job if you picked B. The entire poem focuses on how collaborating as a team makes the dream work and helps everyone achieve a common goal.

2. According to the poem, what happens when everyone shares the work?

Correct Answer: B) We can make our common dream come true.

Feedback: This directly matches the opening lines of the poem:

3. "If nobody wants to pass the ball, then we can't..." Complete the line based on the poem.

Correct Answer: C) Shoot

Feedback: The poem states: "It's fun to shoot the basketball through the hoop,/But if nobody passes, then nobody shoots."

4. In a relay race, what is passed from one runner to the next?

Correct Answer: B) A baton

Feedback: Spot on. The poem explicitly mentions: "And the relay race just can't go on, / If nobody wants to pass the baton."

5. What does the phrase "hoop" refer to in the poem?

Correct Answer: A) A ring used in basketball

Feedback: In the context of the basketball reference in the poem, the "hoop" is the ring/net you throw the ball through to score points.

6. What makes us a 'whole' or a single team?

Correct Answer: C) Putting our individual parts together

Feedback: Correct. The poem highlights this in the final stanza: "We are the parts that make up the whole..."

7. "Then it's a big plus when a you or a me becomes an..."

9. If a team member decides to work completely alone during a group project, what will most likely happen?

Correct Answer: B) The team spirit will break, and the goal might not be achieved.

Feedback: This is a great conceptual question. When someone goes solo in a group effort, it disrupts the shared vision and structure of the team.

10. What is the rhyming word for 'plus' used in the last stanza of the poem?

Correct Answer: C) Us

Feedback: Perfect phonetics. "Plus" and "us" share the exact same ending sound and create the rhyme at the end of the poem.
