

## CBT QUESTION PAPER

CLASS: VI

ENGLISH

MONTH: SEPTEMBER

---

**Q1. Look at the picture and choose the word which does not match its description.**

- a) Police
- b) Constable
- c) Inspector
- d) Spy

**Answer:** d) spy

**Explanation:** A spy is a person who is employed by a government to secretly obtain information. They have to hide their real identity and mask their appearance. Hence, they don't usually wear any uniform on duty.

**Q2. To match the words with their meanings, choose the correct option.**

•	rescue	A) may be
•	perhaps	B) talk for a long time about unimportant things
•	at least	C) to save someone
•	chatter	D) at the minimum

- a) i-C, ii- A, iii- D, iv- B
- b) i-A, ii- C, iii- D, iv- B
- c) i-B, ii- A, iii- D, iv- C
- d) i-D, ii- A, iii- C, iv- B

**Answer:** a) i-C, ii- A, iii- D, iv- B

**Explanation:** The word **rescue** means to save someone, **perhaps** means there's a slight possibility for a thing to happen, **at least** means not less than, and probably more and **chatter** means to talk continuously on unimportant things.

**Q3.** "The plan worked! We're saved." This sentence expresses a feeling of

- 
- a) tiredness
  - b) wonder
  - c) relief
  - d) pride

**Answer:** c) relief

**Explanation:** The wife and husband felt relaxed after their plan worked as the robber was caught.

**Q4.** According to the story 'Rama to the Rescue', which of the following options is correct.

- i) The characters in the story are husband, wife, kotwal, robber
- ii) The robber was waiting for the husband and wife to go to the park.
- iii) The robber was waiting for the husband and wife to fall asleep.
- iv) Rama was the kotwal's name.

- a) Option i, ii, iii, iv are true
- b) Option i, iii & iv are true but ii is false
- c) Option i, iii & iv are false
- d) Option i, iii & iv are true but iv is false

**Answer:** b) Option i, iii & iv are true but ii is false

**Explanation:** The robber was waiting for the husband and wife to fall asleep so that he could rob easily.

**Q5.** The contracted form of do not is \_\_\_\_\_

- a) do'nt
- b) doesn't
- c) don't
- d) dont'

**Answer:** c) don't

**Explanation:** Don't is the contracted form of do not as it is formed by combining the words do & not. The letter o in not is replaced by an apostrophe (')

**Q6.** Complete with one word.

Gajraj : Buntree :: \_\_\_\_\_ : farmer

- a) mahout
- b) dog
- c) king
- d) elephant

**Answer:** a) mahout

**Explanation: 1)** Gajraj is taken care of by the mahout & Buntree is taken care of by the farmer.

2) Just like Gajraj and Buntree are friends, the mahout and the farmer are also friends.

**Q7.** When Gajraj splashed water, the dog yelped because \_\_\_\_\_

- a) he loved taking showers
- b) he hated taking showers
- c) he has already taken a shower
- d) he felt cold

**Answer:** b) he hated taking showers

**Explanation:** The dog cried because he hated taking showers

**Q8.** *“Let me use my heart to see,  
To realize what my friends can be,  
And make no judgements from afar,  
But love my friends the way they are.”*

**The speaker says that feelings are important to understand friendship.  
Which line tells us this?**

- a) Let me use my heart to see
- b) To realize what my friends can be
- c) And make no judgements from afar
- d) But love my friends the way they are

**Answer:** a) Let me use my heart to see

**Explanation:** We need to use our hearts to feel and understand our friends and our bond with them.

**Q9.** The poet says, “With special friends I feel I’m blessed”.

**Choose the word that is similar to the meaning of ‘being blessed’ with reference to the poem**

- a) thankful
- b) relaxed
- c) understood
- d) excited

**Answer:** a) thankful

**Explanation:** The child feels thankful to God for her friends

**Q10.** Good friends don't have the following quality.

- a) Caring
- b) Jealousy
- c) Honesty
- d) Loyalty

**Answer:** b) jealousy

**Explanation:** Good friends feel happy when their friends are instead of being jealous or feeling bad about a certain thing.

### CBT QUESTION PAPER

**CLASS: VI**

**MATHS**

**MONTH: SEPTEMBER**

---

1. You have a square grid of 12 and your friend has a square grid of 7 how many more square do you have than your friend.

- (a) 80 (b) 85 (c) 90 (d) 95

Ans- (d)

Feedback – Difference between  $12^2 = 144$  and  $7^2 = 49$  is  $(144 - 49 = 95)$ .

1. 1, 2, 4, 8, 16, 32, 64, ..... what is the next number of this sequences

- (a) 128 (b) 126 (c) 132 (d) 130

Ans- (a)

Feedback – The next number is  $64 \times 2 = 128$ .

3. 1, 8, 27, 64, 125, 216..... This sequences is called

- (a) Even numbers (b) Cubes (c) Squares (d) Odd numbers

Ans- (b)

Feedback – This sequences is called Cubes  $2^3 = 8$ ,  $3^3 = 27$ ,  $4^3 = 64$ .....

4. What is the next hexagonal numbers 1,7,19 ?  
(a) 26 (b) 30 (c) 37 (d) 40

Ans- (c)

Feedback - The next number is 37.

5. What happens when we start adding up odd numbers, the next number is?

$$1 = 1$$

$$1 + 3 = 4$$

$$1 + 3 + 5 = 9$$

$$1 + 3 + 5 + 7 = 16$$

- (a) 20 (b) 18 (c) 24 (d) 25

Ans- (d)

Feedback –The next number is  $1+3+5+7+9 = 25$ .

6. Square of any even number is always a

- (a) Even (b) Odd (c)Some time even, some time Odd (d) Zero  
Ans- (a)

Feedback - Square of even number is always a even number.

7. What is the next Triangular number 1, 3, 6, 10, 15, 21.....

- (a) 26 (b) 28 (c) 30 (d) 32

Ans- (b)

Feedback –The next Triangular number is  $21 + 7 = 28$  .

8. This sequences is called 1,1, 2, 3, 5, 8, 13.....

- (a) Virahānka numbers (b) Triangular number  
(c) hexagonal numbers(d) Even numbers

Ans- (a)Virahānka numbers

Feedback - The next Virahanka number is  $8+13= 21$ .

9. What is the cube of 6 ?

- (a) 36 (b) 216 (c) 12 (d) 9

Ans- (b)

Feedback –Cube of  $6^3 = 6 \times 6 \times 6 = 216$ .

10. Rani have two pen , Rani give both pen for her younger brother ,then remaining number of pen rani get.

- (a) 2 (b) 1 (c) 0 (d) 3

Ans- (c)

Feedback – Correct answer is  $2-2 =0$

---

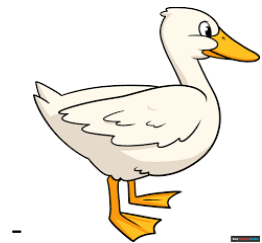

## CBT QUESTION PAPER

**CLASS: VI**

**SCIENCE**

**MONTH: SEPTEMBER**

---

Q1.Observe the feet of the duck and select the correct option=

- A. The feet of the duck helps it to walk on the sand.
- B. Its feet are helpful in swimming smoothly.
- C. It helps in hopping.
- D. They help in running fast.

Ans.D

Feedback- Webbed feet help in swimming in water.

Q2.Observe the direction of veins in the leaves-

Plant A

plant B

Choose the correct option-

A.Plant A is a grass.

B. Plant B is a rose plant.

C.Plant A has fibrous roots.

D.Plant B has fibrous roots.

Ans- D

Feedback-Plants with Parallel venation have fibrous roots

Q3.Which of the following group has an odd member=

A. Mango , Neem, Jamun, Banyan

B. Tulsi .wheat ,rice, grass.

C. Tomato, chilli, marigold, sunflower.

D.Money plant, cucumber, Bitter gourd, Pumpkin

Ans-D

Feedback-Pumpkin is a creeper but other plants of the group are climbers.

Q4. Identify the following group of organisms-

A. Amphibians

B. Birds

C. Aquatic animals

D. Terrestrial animals

Ans. A

Feedback –Amphibians can live on land as well in water.

Q 5 which of the characters are NOT present in a camel

A. Long feet

B. A hump

C. Fur over the body

D. Long eye lashes

Ans. C

Feedback- camel is a desert animal and fur is present on the body of animals living in snow.

Q6. Choose the current option

A

B

.A bear can take the food from

A .Table A only

**B.** Table B only

C.Both table A and B

Ans C

Feedback –A bear is an omnivore so it can eat both plants as well as animal products.

Q7. Gaurav got a fracture in his wrist bone. Doctor put the plaster on the featured bone and gave him a vitamin tablet to eat. Which vitamin tablet he might have given?

- A. Vit A
- B. Vit B
- C. VitC
- D. VitD

Ans .D

Feedback - Vit D helps in the development of healthy bones

Q8 . Seema has taken bread butter and sweet milk in her breakfast.

Which of the nutrients are present in her diet?

- A. Carbohydrate
- B. Fats
- C. Proteins
- D. All of the above

Ans D

Feedback- Milk and bread contain starch, fats and protein.

Q9. Teacher demonstrated an experiment in the class in which she put a few drops of a solution in a test tube containing rice flour. The colour of the solution changes from white to black. What might be the solution used?

- A. Litmus solution
- B. Vinegar
- C. Iodine solution
- D. Lemon juice

Ans C

Feedback- Rice contains starch which gives positive test with iodine solution.

Q10. See the food items in the picture and answer- these food items provide what nutrients?

- A. Carbohydrates and fats
- B. Protein and dietary fibres
- C. Fats and proteins
- D. Proteins and sugar

ANS\_ B

Feedback-Oats and millets are rich source of dietary fibres.
