

ANSWER SHEET

(Q.1-Q.4) Read the following passage carefully and choose the correct option.

A survey was conducted on student preferences with respect to the most popular means of communication among them. Surprisingly, the students didn't seem much interested in traditional means of communication. Only 7% were interested in writing letters to their friends or kins as compared to those who preferred e-mails. However, the chief competition is between users of Instant Messenger and those of telephone lines. The users of fax line as a medium of communication are only marginal. There are supporters of text messaging also. Overall, the survey had a mixed response from the students. The students have indicated that they out of the choices given in the survey questionnaire, they have indicated the most preferred option. But, most of the students are of the view that video calling needs to be mentioned in the questionnaire as it is the most effective and most Popular means of communication. Further, voice messages are the second most preferred means of communication.
