**The Deputy Commissioner
Kendriya Vidyalaya Sangathan
All Regional Office**

Subject: All India Intra-School Painting Competition - SOLART - reg.

Madam/Sir,

With reference to the letter received from DoSEL, Ministry of Education, New Delhi (D.O. letter No. 17-51/2024-Coord dated 23.09.2024), regarding the subject cited above, it is to inform you that the Ministry of New and Renewable Energy is organizing an All India Intra-School Painting Competition—SOLART—for school students across the country under the PM - Surya Ghar Muft Bijli Yojana. The theme of the competition is "Solar Energy Powering a Sustainable Future."

The objective of SOLART is to instil an understanding of the benefits of solar energy among students while fostering their creativity and artistic expression. The aim is to make them advocates for a clean environment from an early age, starting in their own households and extending to their immediate neighbourhoods.

Details of the competition are available on the dedicated microsite, which can be accessed through the following link: <https://solart-web.app>.

The competition will be conducted in **two categories: Grades 3 to 5 and Grades 6 to 8**. Three students from each category will be selected by the school, and the selected entries will need to be uploaded through the microsite. Only uploaded entries will be considered for the final competition. Furthermore, a lucky draw will be conducted among all uploaded paintings on the microsite, with three students from each group being recognized.

Please disseminate this information to the Principals of all Kendriya Vidyalayas in the region and encourage them to organize the SOLART competition according to the guidelines provided at the above link. The **last date** to submit the entries has been extended to **14.11.2024**.

This is issued with the approval of the competent authority.

Yours sincerely

(Dr. Ritu Pallavi)

Assistant Commissioner (Acad/Trg)
