Madam/Sir,

In continuation to the letters referred above, it is informed that around 85% students enrolled in class 3 to 8 have been assessed in oral reading fluency both in English and Hindi. As the last date for submission was 10.09.2024 and as assessment of 15% students is yet to be done hence, in view of the request received from different regions, it has been decided to extend the date for submission of assessment upto 17th of September. The nodal officers designated to monitor the activity may be directed to ensure timely completion of the work.

Further, as discussed, in the meeting convened on 4th of September, kindly share the details of teachers, recommended for preparing interventions for improving reading fluency in the format (Google link) provided by 12.09.2024. The status of assessment carried out till date in different regions is also enclosed for perusal.
