Subject: Celebration of National Space Day- reg

Madam/Sir,

In continuation of the office letter even no. dated 07.08.2024 and 09.08.2024 it is once again reiterated that all the activities mentioned have to be organized to celebrate the National Space Day with the theme "Touching lives while Touching the Moon: India's Space Saga" in a befitting manner.

The National Space Day brings to fore the wide hitherto unexplored dimension of space and its multiple enigmas. India's contribution from ancient times in understanding the mysteries of space, in terms of constellations, stars, galaxies etc. has been profound and exact. Students need to be acquainted and further motivated to dig deeper in the realm of space sciences.

In this regard, it is further requested to instruct the Principals of KVs under the region to mandatorily conduct Special Morning Assembly with the theme of **Space on 23rd August 2024.**

It is requested also to share 5 best photos, videos and number of students participated in each KV by **4.00 pm on 23.08.2024** in acacadkvs@gmail.com . email id. Social media platforms to be used appropriately.

This issues with the approval of the competent authority.

Yours sincerely,

(L.B.Sharma)

Assistant Commissioner (Acad& Vig)
