All Regional Offices
Kendriya Vidyalaya Sangathan

Subject: Circulation of Student Support Material- regarding.

Madam/ Sir,

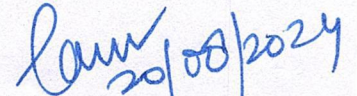

Students and teachers in Kendriya Vidyalayas (KVs) are consistently prepared for all academic challenges, with a strong focus on achieving excellence. Following the outstanding results in the 2024 Board exams, it is now time to channel our efforts towards excelling in the upcoming 2025 Board exams. KVS is committed to providing comprehensive support to all students from classes 9 to 12, ensuring they receive the necessary resources at the right time.

The Student Support Material (SSM) developed by KVS has earned widespread recognition, not only within the KV system but also in other educational institutions. This material is crafted by subject experts with years of experience, ensuring its quality and relevance. As highlighted in the Deputy Commissioners' Conference held in April 2024, the SSM has been meticulously prepared by the Zonal Institutes of Education and Training (ZIETs) to offer a uniform learning experience and cater to various learning levels. The SSM includes chapter-wise key points, additional questions aligned with the CBSE pattern, the latest sample papers, and practice papers.

The ZIETs will share the e-copies of the SSM with all Regional Offices (ROs), and it is imperative that the ROs ensure it is shared with every school. This prompt circulation is crucial for maximizing the material's effectiveness for both students and teachers. Early distribution will not only enhance the learning process but also help to bridge any educational gaps. Additionally, it will provide parents with the opportunity to engage more deeply in their children's education and offer valuable insights.

By working together—students, teachers, parents, and administrators alike—we can ensure that every KV student is fully prepared to achieve academic success in the 2025 Board exams and beyond, continuing the tradition of excellence that defines Kendriya Vidyalayas.

Yours sincerely,

(Chandana Mandal)

Joint Commissioner (Training)
