/D.O. No. 4-4/2022-KT

Date: 8<sup>th</sup> October, 2024

Please refer to OM No. Q-15012/2/2024-O&M-DARPG dt 22<sup>nd</sup> August, 2024 received from Ministry of Personnel, Public Grievances & Pensions which conveys about a special Campaign 4.0 being organized from 2<sup>nd</sup> October to 31<sup>st</sup> October, 2024 for Swachhata in the offices of all Central Ministries/Departments and to D.O of even No. dated 25<sup>th</sup> September, 2023 from Secretary, Department of School Education & Literacy to all Secretaries (copy enclosed).

2. As part of this special campaign, it is possible that some government departments/ministries will choose to upgrade their existing computer systems and other digital devices by replacing them with new systems. Such computers and digital devices that are disposed off could become valuable assets if the Ministries/Departments refurbish them and distribute them in a workable condition to children of government and government-aided schools, especially in the aspirational districts. This way, these items can find a second life and meaningful use by benefiting the students in digital literacy.

3. The distribution of these items can be facilitated through the Department of School Education & Literacy's school volunteer program known as 'Vidyanjali'. The Vidyanjali initiative was launched by the Hon'ble Prime Minister in September 2021, with the aim to strengthen schools through community participation, Corporate Social Responsibility (CSR) and private sector involvement across the country. This programme is being implemented online through a portal hosted on website of the Department. It allows any Indian citizen, Persons of Indian Origin (PIO), or organizations registered in India to directly connect with government and government-aided schools. They can contribute in various ways, whether it's providing services, engaging in teaching/instruction activities, donating assets, materials, or equipment, all through the Vidyanjali platform.

4. In the light of the above, Department of School Education & Literacy takes this opportunity to invite all Departments/Ministries to donate their used ICT devices that are in workable condition after refurbishing, through the Vidyanjali portal for the benefit of government and government-aided schools, for the use of the students in learning. The following technical specifications for used computers, is to be ensured for contribution in schools:

Contd...

- CPU processor-Intel i5/i7, AMD Ryzen 5 or equivalent
- RAM-4-GB minimum ✓
- OS-Windows 10 minimum ✓
- Storage- 500 GB HDD ✓

5. Apart from that, Ministries/Department can also consider donating other valuable assets like furniture, cupboards, LCD screen etc. which are in good workable condition and of value to children in schools through the Vidyanjali Portal.

6. The Vidyanjali portal can be accessed at <https://vidyanjali.education.gov.in>. For any inquiries or for further details on how to proceed, representatives from departments and ministries can get in touch with Sh. Ram Singh, Deputy Director at [singh.ram92@gov.in](mailto:singh.ram92@gov.in)/ Tel: 011-23387342 or PMU Vidyanjali at [pmuvidyanjali@gmail.com](mailto:pmuvidyanjali@gmail.com)/ Tel: 011-23765602.

Yours sincerely,

Sd/-

D.O. No. 4-4/2022-KT

Dated 25<sup>th</sup> September, 2023

*Respected Secretary,*

Please refer to DO letter of Cabinet Secretary dated 25<sup>th</sup> August 2023 conveying directions about a special Campaign from 2<sup>nd</sup> October to 31<sup>st</sup> October, 2023 for Swachhata in all the offices of all Ministries/Departments and reducing pendency.

2. As part of this special campaign, it is possible that some government departments and ministries will choose to upgrade their existing computer systems and other digital devices by replacing them with new systems. Such computers and digital devices that are disposed of could become valuable assets if the Ministries/Departments refurbish them and distribute them in a workable condition to children of government and government-aided schools, especially in the aspirational districts. This way, these items can find a second life and meaningful use by benefitting the students in digital literacy.

3. The distribution of these items can be facilitated through the Department of School Education & Literacy's school volunteer program known as 'Vidyanjali'. The Vidyanjali initiative was launched by the Hon'ble Prime Minister in September 2021, with the aim to strengthen schools through community participation, Corporate Social Responsibility (CSR) and private sector involvement across the country. This programme is being implemented online through a portal hosted on website of the Department. It allows any Indian citizen, Persons of Indian Origin (PIO), or organizations registered in India to directly connect with government and government-aided schools. They can contribute in various ways, whether it's providing services, engaging in teaching/instruction activities, donating assets, materials, or equipment, all through the Vidyanjali platform.

4. In the light of the above, I take this opportunity to invite all Departments/Ministries, O/o Cabinet Secretariat to volunteer to donate the used ICT devices that are in workable condition after refurbishing through the Vidyanjali portal for the benefit of government and government-aided schools, where students in some schools maybe deprived of sufficient number of computers in their ICT labs. Apart from that Ministries/Department can also consider donating other valuable assets like furniture, cupboards, LCD screen etc which are in good workable condition and of value to children in schools through the Vidyanjali Portal.

5. The Vidyanjali portal can be accessed at <https://vidyanjali.education.gov.in>. The Brochure of the portal is enclosed for further reference. For any inquiries or for further details on how to proceed, representatives from departments and ministries may get in
