DO No.8/2/2024-EC

September 09, 2024

Dear Sanjay Sir,

As part of fulfillment of India's global commitments in respect of mitigating the impact of climate change, the Ministry of Power is taking several steps towards spreading the awareness of energy conservation. In this regard Ministry of Power in association with the Bureau of Energy Efficiency (BEE) organizes painting competition for students every year on National Energy Conservation Day i.e. 14th December. The winners of the last year competition were honored by the Hon'ble President of India at Vigyan Bhawan, New Delhi.

2. Since 2005, this competition has engaged young minds across the nation, with over 70 lakh students participating last year alone. I deeply appreciate the active participation and supports of CBSE-affiliated schools have been crucial in making this initiative a success.

3. As a continuance of this journey, I am pleased to inform you that this year again the National Painting Competition on Energy Conservation 2024 is being organized with the theme of "Energy Conservation to Protect the Environment". Students from 5th to 10th standards are eligible to participate. Details of the competition and the list of State-level Nodal Officers are available at BEE's website (www.paintings.beeindia.gov.in).

4. In this regard, I would like to request you to advise concerned officials to ensure maximum participation from all CBSE-affiliated schools. Your support in providing all necessary assistance to the designated Nodal Officer for the seamless execution of this event is highly appreciated.

regards,

Yours sincerely

Pankaj

(Pankaj Agarwal)

Shri Sanjay Kumar,
Secretary,
